J. B. Wilson, 371 Clay St., Sharpsburg, Pa., says he will not be without Dr. King's New Discovery for Consumption, Coughs and Colds, that it cured his wife who was threatened with Pneumonia after an attack of "La Grippe," when various other remedies and several physicians had done her no good. Robert Barber, of Cooksport, Pa., claims Dr. King's New Discovery has done him more good than anything he ever used for Lung Trouble. Nothing like it. Try it. Free Trial Bottles at F. B. An honest Swede tells his story in plain but unmistakable language for the benefit of the public. One of my children took a severe cold and got the croup. I gave her a teaspoonful of Chamberlain's Cough Remedy and in five minutes I gave her one more. By this time she had to cough up the gathering in her throat. Then she went to sleep and slept good for fifteen minutes. Then she got up and vomited; then she went back to bed and slept good for the remainder of the night. She got the croup the second night and I gave the same remedy with the same good results. I write this because I thought there might be someone in the same need and not know the true merits of this wonderful medicine. CHARLES A. THOMPSON, Des Moines, Iowa. 50 cent bottles for sale by H. F. Smith.
